

EDMONTON'S INTEGRATED APPROACH

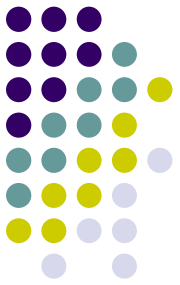

IPAC CONFERENCE
AUG. 25, 2008
K.BARNHART, M.ED

Context

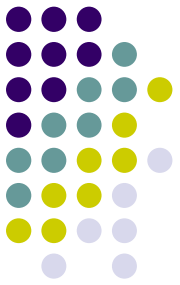

- Stelmach Era
- Booming Economy/Growth
- Diversity
- Transformation
- Regionalization

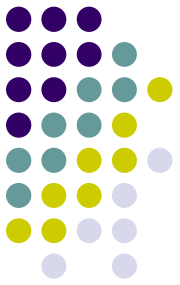

Continuum of Relationships

- Cooperation -> Coordination -> Collaboration -> Integration
- Relationship “fit”
- Continuity and “corporate memory”
- One Taxpayer
- Mandates

Promising Efforts

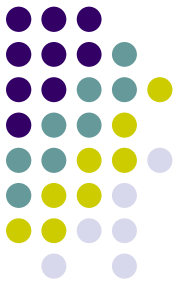

- Safedmonton
- Multicultural Coalition
- Art of Living – Cultural Plan
- Community Drug Strategy
- Building Canada
- Municipal Sustainability Initiative
- Great Neighbourhoods Program
- River Valley Alliance

Challenges

- Complex Issues
- Workload demands
- Collaborative Skills
- Governance
- Funding for Capital AND Operating
- Need for Joint Planning
- Senior Level Buy-in
- Political Landscape

Summary

- Edmonton is transforming
- Integration is seen as the way to go
- Hard and Soft Infrastructure Needs
- Convergence
- Sense of Optimism

THANKS FOR LISTENING!
